Tumblers · Car tumblers · Sports bottles · Insulated mugs · Ice jugs · Wine tumblers

Food-grade 304 / 201 stainless steel · double-wall vacuum insulation

Custom logo, Pantone colour matching, retail packaging

FOB Ningbo / Shanghai · MOQ from 3,000 pcs per colour

Who we are

Yongkang Jiexun Industry & Trade Co., Ltd. manufactures and exports vacuum-insulated stainless steel drinkware from Yongkang, Zhejiang — the city where China's stainless steel drinkware supply chain is concentrated. Materials, coatings, lids and packaging are sourced inside that cluster and assembled into a finished, export-packed order.

Specification summary

Material	Food-grade stainless steel — 304 (18/8) inner wall, 304 or 201 outer shell
Insulation	Double-wall vacuum insulation
Lid systems	Screw + straw, flip straw, magnetic flip, press-in sliding, small spout, loop cap, dual-use
Finish	Powder coating (matte / gloss / gradient), spray paint, bare stainless; Pantone matching
Decoration	Silk screen printing, Laser engraving, 3D printing (silicone / TPU), Heat transfer, Thermal sublimation
Packing	Export cartons with your shipping marks and barcodes; retail / gift packaging on request
MOQ	Typically 3,000 pcs per colour for OEM; stock designs can start lower
Price	FOB Ningbo / Shanghai — EXW, CFR and CIF available
Samples	Pre-production sample with your logo and colour before mass production
Documents	Packing list, commercial invoice, certificate of origin, inspection records

How an order runs

- 1. Inquiry** Model, quantity, colours, branding, destination port
- 2. Quotation** FOB price, MOQ, carton spec and lead time in writing
- 3. Sampling** Logo and colour sample for your approval
- 4. Production & QC** Mass production with in-line inspection and photo reports
- 5. Shipping** Export cartons, palletising and documents for your forwarder

40oz Vacuum Tumbler with Handle & Straw

The handled 40oz shape your market already buys — made to your colour, lid and logo.

Capacity	40 oz / 1,200 ml
Lid	Screw-on lid with reusable straw
MOQ	From 3,000 pcs per colour (OEM)

Key features

- Screw-on lid with reusable straw and silicone seal
- Wide, comfortable moulded handle
- Double-wall vacuum insulation — drinks stay at temperature far longer than single-wall cups
- Tapered base fits most car cup holders and gym bottle holders
- Powder-coated, non-slip, sweat-free exterior

Available options

40 oz / 1,200 ml	Custom capacity on new moulds	10+ stock colours	or Custom Pantone colour
------------------	-------------------------------	-------------------	--------------------------

40oz Gen-3 Car Tumbler with Flip Straw

Third-generation car tumbler — flip straw, slim base, ten stock colours.

Capacity	40 oz / 1,200 ml
Lid	Flip-straw lid with silicone seal
MOQ	From 3,000 pcs per colour (OEM)

Key features

- One-hand flip-straw lid with silicone seal
- Slim tapered base sized for car cup holders
- Moulded side handle for a secure grip
- Double-wall vacuum insulation, sweat-free outside
- Stock moulds in ten colours — low tooling cost, fast sampling

Available options

40 oz / 1,200 ml	Stock colour range	Custom colours by coating or mould	Printing: wrap print, laser, 3D transfer
------------------	--------------------	------------------------------------	--

12oz Stainless Steel Mug with Handle

An insulated coffee mug with a real handle — built for gift, promo and office programs.

Capacity	12 oz / 350 ml
Lid	Press-in / sliding lid
MOQ	From 3,000 pcs per colour (OEM)

Key features

- Double-wall vacuum insulation for coffee and tea
- Wide handle that fits larger hands and gloves
- Press-in sliding lid with drinking spout
- Powder-coated colours with a soft matte touch
- Ideal for logo reward programs and corporate gifting
- Silk screen, laser engraving and sublimation

Available options

12 oz / 350 ml	Matching 16 / 18 / 22 / 24 oz sizes in the same family	Custom colours
----------------	--	----------------

Insulated Ice Jug with Carry Handle

Big-capacity insulated jug for ice, water and sharing — with a moulded carry handle.

Capacity	1.2 L / 40 oz class
Lid	Screw cap with integrated carry
MOQ	From 3,000 pcs per colour (OEM)

Key features

- Wide mouth that takes whole ice cubes
 - Leak-proof screw cap with integrated carry handle
 - Double-wall vacuum insulation for all-day cold retention
 - Available in a range of capacities from 650 ml to 1.2 L
 - Powder-coated body with a non-slip grip surface
- Custom colour , wrap printing and custom colour programs

Available options

650 ml	750 ml	1,000 ml	1.2 L / 40 oz class
--------	--------	----------	---------------------

Large-Capacity Vacuum Bottle with Dual Handle

A family of large vacuum bottles with a twin-handle lid that carries easily.

Capacity	650 ml – 1,000 ml
Lid	Leak-proof screw cap with twin c
MOQ	From 3,000 pcs per colour (OEM)

Key features

- Twin-handle lid for comfortable one-hand carrying
- Leak-proof screw cap with silicone seal
- Double-wall vacuum body, slim enough for bag pockets
